

## FRIZZ REMEDY

Instantly reconstructs damaged hair, infuses anti-humectant properties and seals split ends- delivering long-lasting results for up to 10 washes. The breakthrough, plant-based CBD Corrective Complex works at the molecular level to instantly mend compromised strands, tame humidity derived frizz and lock down lifted cuticles- keeping them sealed for multiple washes. This simple, yet effective, formula instantly revives hair from years of damage by forming a durable, cross-linked network on the hair- restoring hair to a smoother, healthier and more youthful state.
